At its core, a Group is less about what you do and more about who you do it with. We all need each other, and that's why we have Groups. Just like most things, you won't know until you try, so check out the directory and connect with a Group today!

# Our Goal

Every person at Northminster  
is involved in a group.

# Heart of God

What thoughts come to mind when you think of God? Do you wonder what he's like, what he thinks about you, or what he wants for you? The good news is that we don't have to go far to find answers. God tells us all we need to know about who he is and what he's like—about his heart—and why that matters for our lives.
